1. Reference is made to your memorandum dated 8 July 1952 requesting a covert security clearance to utilize Subject in a contract capacity in the United States under Project AECOB. Subject is to be used as an instructor.

2. This clearance is contingent upon assurance given by SR Division that:

a. Subject and his family enter the United States on the strength of an Immigration visa issued under authority of the Displaced Persons Act, and,

b. That all responsibility for the Subject and his family while in the United States - financial and otherwise - be assumed by the SR Division.

3. In accordance with the provisions set forth in the Director's memorandum of 14 February 1949, entitled "Security and Operational Clearances", a covert security clearance is granted for the covert use of the Subject as described in your request as set forth in Paragraph 1 above.

4. The Subject is not to represent himself as, nor is he to be represented as, an employee of CIA.

5. Your attention is called to the fact that a covert security clearance does not constitute complete compliance with the provisions of CIA Regulation 10-9. Therefore, if you should desire at a later date to change the status or use of this individual, a request for clearance to cover any proposed change should be submitted to this office.

6. This clearance becomes invalid in the event the Subject's services are not utilized within 60 days of the date of this memorandum.
